

# As Long as I Don't Cry

Lasse Thomasson

## Verse

**D**  
I never thought it would be easy  
**A**  
I never thought it would be always good  
**G D Bm A G**  
But I never realized it would be so hard loving you  
**D A D D A D**  
But then I never understood

## Chorus

**Bm G D**  
Why your love is so sweet is so bitter  
**Bm G A**  
Is so sour, like lemon after sugar  
**Bm G D G G G/F#**  
But never salt like my tears  
**Em7 A7sus4 D D A D**  
As long as I don't cry I can taste your love again

## Verse

**D**  
You never promised you would love me  
**A**  
You never promised that you always would be true  
**G D Bm A G**  
You offered nothing more than a little taste from your cup  
**D A D D A D**  
I should've known better but I finished it up

## Chorus

**Bm G D**  
And it felt so sweet, felt so bitter  
**Bm G A**  
Felt so sour, like lemon after sugar

As long as I don't cry I can taste your love again
